(330)375-2809

Thursdays 10:00 – 11:30 am
\$15 per 6 week session (5 total sessions)

Help your child develop important social and emotional skills by enrolling in our toddler learning class.

This program is designed for two year olds and their caregiver ie: parent, grandparent or babysitter, to give children the ability to gain a positive attitude towards a preschool environment. This will encourage their independence while participating in teacher directed activities. Toddlers will enjoy creating art projects, story time, snacks, songs and music all centered on weekly themes.

Our class meets Thursday mornings beginning **September 14, 2017**. We have 5 six week session with a break in between each session. Caregivers will take turns providing the snack each week. Additional fees may be charged for field trips and holiday parties.
